

# The Wanderlust

## Metric

I've been sleep walking  
Through the railway station  
Wake me up  
When they call my destination  
Where I've been  
I was bound to leave behind  
All device  
And all disease was mineAhh  
Speeding out of reach  
Ahh  
You're the one I had to meet  
I never wanted to go home  
(The wanderlust will carry your song)  
There was nothing there for me  
(The wanderlust will carry your song)  
In a high rise on my own  
(I've been on all kind of highways for so long)  
Looking out in a mirrored balcony  
(The wanderlust will carry your song)  
Will there ever be a place for you and me  
(The wanderlust)I'm rolling in  
For a seven day weekend  
Living up again  
To my old reputation  
Can you cover me  
'Cause I got no armour  
Keep moving on down the line  
Keep on going further  
Ahh  
Speeding out of reach  
Ahh  
You're the one I had to meetI never wanted to go home  
(The wanderlust will carry your song)  
There was nothing there for me  
(The wanderlust will carry your song)  
In a high rise on my own  
(I've been on all kind of highways for so long)  
Looking out in a mirrored balcony  
(The wanderlust will carry carry carry your song)  
I don't know where to go, now I got nowhere to hide  
(Nowhere to go nowhere to be)  
I don't know where to go, now I got nowhere to be

(Oh wanderlust will carry your song)  
Walk fifty city blocks down but they always find us  
(The wanderlust will carry your song)  
Will there ever be a place for you and me  
(The wanderlust will carry your song)  
Will there ever be a place for you and me
