

# Sun (Gildas Kitsuné Club Night Remix)

## Two Door Cinema Club

Ocean blue  
What have I done to you?  
Cut so deep  
Yet growing through and through Drawn apart  
New York and London  
All I see now  
Are distant drumlins  
The roads I knew  
Became a city  
And I wonder  
Will you wait for me?  
Although  
I'm far away  
I know I'll stay, I know I'll stay  
Right there with you  
Though  
It might be too late  
What would you say? What would you say?  
What would you do? I built a hive  
Became one with the bees  
But we fell like rain  
Got lost into the sea  
If I don't know  
The wind will carry me  
So just hold tight  
Though  
I'm far away  
I know I'll stay, I know I'll stay  
Right there with you  
And though  
It might be too late  
What would you say? What would you say?  
What would you do? Over and over  
Many setting suns  
I have run  
I have waited for the rain to come  
When through that mist  
I see the shape of you  
And I know, and I know  
That I'm in love with you Though  
I'm far away  
I know I'll stay, I know I'll stay

Right there with you  
And though  
It might be too late  
What would you say? What would you say?  
What would you do?
