

I'm Gonna Love You Just a Little More Baby

[Boney James](#)

It feels so good, you lying here next to me
Oh, what a groove? You have no idea how it feels
My hands just won't keep still, I love you, baby
Oh, I love you, I love you, I love you, just wanna hold you
Run my fingers through your hair, oh
Outta sight, huh, right there, you like it like that
Closer, come here, little closer
Oh man, oh baby Give it up, ain't no use
I can help myself if I wanted to
I'm hung up, no doubt
I'm so in love with you, for me there's no way out 'Cause deeper and deeper
In love with you I'm falling
Sweeter and sweeter
Your tender words of love keep calling
Eager and eager, yeah
To feel your lips upon my face
Please her and please her
Any time or any place I'm gonna love you, love you
Love you just a little more, baby
I'm gonna need you, need you
Need you every day
I'm gonna want you, want you
Want you in every way Make no mistake, for I'll hold back knowin'
This time it looks like love is here to stay
As long as I shall live
I'll give you all I have and all I have to give 'Cause please her and please her
Any time or any place
Eager and eager
To feel your sweet lips on my face
Deeper and deeper
In love with you I'm falling, yeah
Sweeter and sweeter
Your tender words of love keep calling I'm gonna love you, love you
Love you just a little more, baby
I'm gonna need you, need you
Need you every day
I'm gonna want you, want you
Want you in every way
Hey, hey, hey, hey, yeah
