

# Hell n Back

## Bakar

Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely Now you're my everything, I was lonely I mixed a  
lot of love with a lot of drugs, then I found you  
She liked petty crimes, she had green eyes like Mountain Dew  
And where she go, I'll never know  
Her friends bounced too  
I guess it's their loss 'cause they'll never know what we'll amount to Would you be my light, be  
my yellow?  
P.Y.T walking down portobello  
Put a smile on this face at the end of the day  
MDMA helped us fly away  
Who'da known, who'da known you would save my life?  
Who'da known, who'da known you would fly my kite?  
Could you tell, could you tell?  
Could you tell? Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely  
Now you're my everything, I was lonely Yeah  
Yeah  
Yeah, yeah  
Yeah I remember, I remember I was all alone  
Late night you would call my phone  
Just to check if I was blessed 'cause you knew I was low  
Head gone rolling off the throne  
I remember, I remember we was in the park  
Late night made love on the grass  
Got my head in the clouds, counting all my stars  
In my ears said the world was ours Go to hell and back just to heal my wounds  
'Cause it gets like that, wrong side of the moon  
No tomb can't moon, you're my Cleopatra  
No side ting, don't need a backup Need a real one, don't need an actor  
And last one today, think you won a Bafta  
Come and be my girl, yeah Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely  
Now you're my everything, I was lonely Yeah (Just like we say)  
Yeah (Just like we say)  
Yeah, yeah (Just like we say, say, say)  
Yeah
