

# Sign of the Gypsy Queen

## April Wine

Lightning smokes on the hill rise  
Brought the man with the warning light  
Shouting loud "you had better fly"  
While the darkness can help you hide  
Trouble's comin' without control  
No one's stayin' that's got a hope  
Hurricane at the very least  
In the words of the gypsy queen Sign of the gypsy queen  
Pack your things and leave  
Word of a woman who knows  
Take all your gold and you go  
Get my saddle and tie it on  
Western wind who is fast and strong  
Jump on back, he's good and long  
We'll resist 'til we reach the dawn  
Runnin' seems like the best defense  
Stayin' just don't make any sense  
No one could ever stop it now  
Show the cards of the gypsy town Sign of the gypsy queen  
Pack your things and leave  
Word of a woman who knows  
Take all your gold and you go  
Shadows movin' without a sound  
From the hold of the sleepless town  
Evil seems to be everywhere  
Heed the spirit that brought despair  
Trouble's comin' without control  
No one's stayin' that's got a hope  
Hurricane at the very least  
In the words of the gypsy queen Sign of the gypsy queen  
Pack your things and leave  
Word of a woman who knows  
Take all your gold and you go Sign of the gypsy queen  
Pack your things and leave  
Word of a woman who knows  
Take all your gold and you go Sign of the gypsy queen  
Pack your things and leave
