

# She Should Be Thanking You

[Sterling Simms](#)

She never seen the picture on my walls  
She can't remember the last time that you called  
We never see you when were out  
You reside on the other side of townBecause of you I'm a better man  
She should think of you as a best friend  
Without you this story may not exist  
I know the credit should point your way  
Cause every single day she saysThank you and I hug her  
She should be thinkin too  
Thank you and I tell her that I love her  
She should be thankin you  
Thank you and I tell her shes my everything  
Cause she should be  
Cause I know this much is true  
My girl should be thankin you  
She should be thankin you  
She never heard my mother mention your name  
When mine was down you were there like everyday  
It took some time for me to get it right  
By then you were gone  
But I want you alone, yeahBecause of you I'm a better man  
So she should think of you more like a best friend  
And without you this story may not exist  
I know the credit should point your way  
Cause every single day she saysThank you and I hug her  
She should be thinkin too  
Thank you and I tell her that I love her  
She should be thankin you  
Thank you and I tell her shes my everything  
Cause she should be  
Cause I know this much is true  
My girl should be thankin you  
Girl what can I say  
You make me this way  
Back then I didn't know what it meant  
Now I seems I can't forget  
And I know there's no room for us  
And I respect you girl please trust  
That I will always be thankin youCause every single day she says  
Thank you and I hug her  
She should be thinkin too  
Thank you and I tell her that I love her

She should be thankin you  
Thank you and I tell her shes my everything  
Cause she should be  
Cause I know this much is true  
My girl should be thankin you
