

Blue Moon

Julie London

Blue moon,
you saw me standing alone
without a dream in my heart
without a love on my own.

Blue moon,
you knew just what i was there for
you heard me saying a prayer for
somebody i really could care for.

And then there suddenly appeared before me,
the only one my arms will ever hold
i heard somebody whisper, "please adore me."
and when i looked,
the moon had turned to gold.

Blue moon,
now i'm no longer alone
without a dream in my heart
without a love of my own.

Blue moon,
now i'm no longer alone
without a dream in my heart
without a love of my own.
without a love of my own
without a love of my own
