

# Coyotes

Jason Mraz

I'm sippin' coffee at a quarter to two  
I wake, & I'm dialin,' & my mind's runnin' to you  
No wonder I'm a one woman man  
She keeps my heart in a jar on the nightstand I should tell her that she couldn't be more  
Opposite than a foot in the door  
There's no one else I would rather go out with  
That's hell when I see them standin' there Me & my mouth, we don't mean to be rushin'  
We talk about thee freely 'cause we crushin'  
I wanna shake both sides of the butt, yeah  
Theoretically yes, ain't we lucky  
& when the coyotes, they sing in the park  
It's when the city lights start fallin' for the sea  
While them roads are windin' down  
& the flying men'll hit the ground  
Every motion is close to the touch  
& the coyotes sing when they call on your lovin' Hello, we're comin' back for more  
You know why we're comin' for you  
You know we should be, we should be together  
'Cause once we rock, we won't wanna stop  
Not today or tomorrow & not today or tomorrow, oh no  
You better lock your doors  
You know why, 'cause we want you  
'Cause we like you a lot  
I wish the world was a lot like you  
I wish the world would know me through  
Another opportunity to approach you  
Another telepathic rendezvous I wish you well with your walkin' & joggin'  
You got a double side in Mexico  
I gotta try to keep your attention  
Gotta write usin' less emoticons I gotta figure out the snooze alarm  
I wanna lay in your place till dark  
I wanna play in the park, come on  
Now let me see your other upper echelon & when the coyotes escape to New York  
Then the city life has crumbled to the sea  
& the girls, all fall to the lost & found  
The flying men'll hit the ground  
Every motion is closer to touching the coyotes sing  
When they taste on your lovin' I'm a coyote, & I got a taste for your lovin'  
We're comin' back for more  
You know why we're comin' for you  
You know we should be, we should be together  
Because once we rock, we won't wanna stop

Not today or tomorrow, not today or tomorrow, oh no  
Because once we rock, we won't wanna stop  
Not today or tomorrow  
We're comin' back for more  
You know why we're comin' for you  
You know we should be, we should be together  
'Cause once we rock, we won't wanna stop  
Not today or tomorrow
