

# Mighty Long Fall

## ONE OK ROCK

Mighty long fall  
When we met  
The pain stood still  
It was us  
And suddenly  
It's where you go  
the system blue (I knew)  
This side of me  
I want a little more  
But inside it seems I'm just a little bored  
Nothing else!  
Don't go it's a mighty long fall  
When you thought now is the time  
Oh no! It's a wake up call  
When your life's ready to shine  
It seems like gravity keeps pulling us back down  
Don't go it's a mighty long fall  
When you know time is up  
? ?? ?? ??  
????????????????  
????????????????  
?????? ?????  
Don't go it's a mighty long fall  
When you thought now is the time  
Oh no! It's a wake up call  
When your life's ready to shine  
????????????????  
????????????  
?????? ?????  
Woah  
Get up get up get up get up  
Time to make amends for what you've done  
Get up get up get up get up  
Running with the demons in your head  
Let's shout it out completely  
Never really want to know  
Let's shout it out, we're screaming  
Woah  
Don't go it's a mighty long fall  
When you thought now is the time  
Oh no! It's a wake up call  
When your life's ready to shine

It seems like gravity keeps pulling us back down  
Don't go it's a mighty long fall  
When you know time is up!
