

# A Candle in the Window

## Alabama

(Susan Longacre/Walt Aldridge/Gary Baker) There's a road that I remember leading to a special place

Where the door was always open to a smiling face

There's a picture on the mantle of a boy that looks like me

It's always the same, there's a stocking with my name  
And a candle in the window, a flame  
against the night

There's a candle in the window, it's like God's perfect light

It don't take a lot of money to know what riches are

Just a candle in the window oh its Christmas in your heart, in your heart  
Maybe it's just wishful  
thinking I can hear the sleigh bells ring

Almost taste the pie she's baking, it's Christmas Eve  
There's a candle in the window,  
There's a flame against the night

There's candle in the window, it's like God's perfect light

It don't take lots of money to know what riches are

Just a candle in the window and Christmas in your heart

Wherever the years may take me no matter how far I go

There's going to be a candle burning,

It's always nice to know

It don't take a lot of money to know what riches are

A simple candle in the window and Christmas in your heart  
your heart your heart

A candle in the window

A candle in the window...
