Earthquake

Family Force 5

Get down!I saw shawty dancin' on the floor
I'm kind of nervous to approach her though
She's so stylish, like a supermodel
Should I meet her (Yes, I think you oughta)The needle dropped
My track was hot

We began to rock

Our eyes were lockedI love your song!

Yeah, girl, sing along

She said "DJ's make my heart ache"

I said "Baby, watch the place shake like an earthquake"

Drop that 808

The walls begin to shake

It's too much for the club to take

It's shakin' like an earthquake

Devastation from the sounds I'm makin'

And there's no escaping from the bass

It's shakin' like an earthquakeTen point oh on the Richter scale

It's shakin' like an earthquake

Move your tail

'bout that time my people all were quakin'

Another ten point oh was in the makin'Like a natural disaster

Run for the pasture

Cause the bass will flow

Take you out like El Niño

It's rumbling, crumbling, all the way down

It's tumbling, fumbling, you love that sound

CAN YOU TURN UP THE BASS?

Sorry gurl I can't hear in this place

I HAVE A REQUEST THAT I'D LIKE TO MAKE!

Well, what you wanna hear gurl? Shake it like an Earthquake?Drop that 808

The walls begin to shake

It's too much for the club to take

It's shakin' like an earthquake

Devastation from the sounds I'm makin'

And there's no escaping from the bass

It's shakin' like an earthquake 10.0 on the Richter scale

It's shakin' like an earthquake

Move your tailReady?! OK!Boom boom, you broke it down, you broke it down, now build it

build it up, build it upBoom boom, you broke it down, you broke it down, now shake it up, shake it upBoom boom, you broke it down, you broke it down, now break it up, break it up, WOOOOOOO!Drop that 808

The walls begin to shake
It's too much for the club to take
It's shakin' like an earthquake
Devastation from the sounds I'm makin'
And there's no escaping from the bass
It's shakin' like an earthquakeShake it on down
Shake it on down
Shake it on down
Move yourself when you hear that sound
