

Headspin

Rock Star Supernova

All I wanna say
Is your the satellite in my life
Lost inside your eyes
The vision never dies... oh
Oh Just take my hand
We'll float in never land Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind You make my head spin
You make my head spin
Why, why do you. You make my head spin
You make my head spin
Why, why.
You love to build me up
Just to tear me down
(oh but why)
Wouldn't it be nice
If we find paradise someday. Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind You make my head spin
You make my head spin
Why, why do you? You make my head spin
You make my head spin
Why, why
Did I hear you say
You wanna be alone
Was it some mistake
How would we ever know I can hear you scream at me
Scream at me. I'm not perfect
I'm not perfect
No one is
I'm not perfect
I'm not perfect!
No! You make my head spin
You make my head spin
Why, why do you? You make my head spin
You make my head spin Did I ever mean something.
Did I ever mean something to you?
