I wanna be free  
I wanna be free  
I wanna be free  
I wanna be free Who's cooler than this, witch,  
Maneuver then dip, hip like the ruger - this clip,  
Bitches Zooted and Sipped, I'm Suited And Zipped.  
Make a move or get skipped, sis ya "who it," and hit,  
Like, who is this bitch?  
Who was fooding this fish?  
Let ya hoof n' it slip, I'll swoop in and split.  
Take two of this tit...  
D-do-do-dit dit  
Keep Grooving this bitch, like ya new with this pip!  
Stay true to this shit,  
Mackin' moves in this bitch, whitey hoot for this sis.
