

# Never Growing Up (Mathieu Koss Festival Mix)

## Mathieu Koss & Aloe Blacc

I watched the sun come up in every city  
Round the world, so young and so free  
All those beautiful faces stay with me  
Deep in my heart a strong memory  
Now let's go back to that playground and remember when  
We raced through the days just to blaze with our friends  
Let's vibe out on good times with wine in our cups  
We may be getting older but we ain't never growing up  
We ain't never growing up, oh oh oh-way-oh  
We ain't never  
We may be getting older but we ain't never growing up  
I watch the moon hang high above my city  
This is my home where I know that I'm free  
Tried to move, had to lose my self-pity  
But now I'm back where I can be me  
Now let's go back to that playground and remember when  
We raced through the days just to blaze with our friends  
Let's vibe out on good times with wine in our cups  
We may be getting older but we ain't never growing up  
We ain't never growing up, oh oh oh-way-oh  
We ain't never  
We may be getting older but we ain't never growing up  
Life goes by so fast, my friend  
So let's just be young and free again  
Now let's go back to that playground and remember when  
We raced through the days just to blaze with our friends  
Let's vibe out on good times with wine in our cups  
We may be getting older but we ain't never growing up  
We ain't never growing up  
We ain't never growing up  
We ain't never growing up  
We ain't never growing up  
We may be getting older but we ain't never growing up
