

Gypsy Caravan

Wolfmother

I've been living on top the mountain, aye
You don't think I'm ever coming down
I'm looking at things that seem to catch my eye
Wandering around from town to town
Won't you take me to the
To the gypsy caravan?
We can live together
Where the ocean meets the sand
Won't you take me to the
To the gypsy caravan?
I'm looking at things that tried to catch your eye
Things that do what people can't ignore [?]
The bolts of lightning tried to strike you down
The behemoth is waiting at the door
Won't you take me to the
To the gypsy caravan?
We can live together
Where the ocean meets the sand
Won't you take me to the
To the gypsy caravan?
I see the gypsy caravan arrive
I wonder where it's gonna go
Won't you take me to the
To the gypsy caravan?
Won't you take me to the
To the gypsy caravan?
Won't you take me to the
To the gypsy caravan?
To the gypsy caravan?
To the gypsy caravan?
