

# Why Do You Love Me (Riton Remix)

Charlotte Lawrence

Hate your friends  
I hate your mom and dad  
I hope they hate me back I guess for once, I'm being honest  
Got to be a lot that's wrong with you  
To want to be with me  
It's kind of sweet when we  
We're fighting 'til someone's calling the cops  
But you never blame it on me  
You're so annoying  
Four in the morning, you're changing the locks  
How could you do this to me? (Oh) I, I, I only love, love you when you don't love me  
So, why do you, why do you, why do you love me?  
I, I, I only need, need you when you don't need me  
So, why do you, why do you, why do you love me?  
Apologize, never apologize  
You hate the way I lie  
So here you go, I'm being honest  
Narcissist, come on, give us a kiss  
Let's have some fun with it  
It's kinda sweet (It's kinda sweet)  
Four in the morning, you're changing the locks  
How could you do this to me? (Oh) I, I, I only love, love you when you don't love me  
Oh, baby, so, why do you, why do you, why do you love me?  
I, I, I only need, need you when you don't need me (Only when you don't need me, baby)  
So, why do you, why do you, why do you love me? I'm fucking crazy, you're fucking crazy,  
we're all fucking crazy  
Why do you, why do you, why do you love me? I, I, I only love, love you when you don't love  
me  
So, why do you, why do you, why do you love me?  
I told you, I told you, I told you (Why do you, why do you, why do you love me?)  
We're fighting 'til someone's calling the cops  
But you never blame it on me (Oh) I, I, I only love, love you when you don't love me  
So, why do you, why do you, why do you love me?  
I, I, I only need, need you when you don't need me baby  
So, why do you, why do you, why do you love me? (Baby, baby, baby, baby, baby) I'm fucking  
crazy (I'm fucking crazy)  
You're fucking crazy (You're fucking crazy)  
We're all fucking crazy (Oh, baby)  
Why do you, why do you, why do you love me? I, I, I only love, love you when you don't love  
me (Don't need me, don't need me)  
So, why do you, why do you, why do you love me?
