

Freakshow

Britney Spears

10 PM to 4
And I came to hit the floor
Thought you knew before
But if you don't then now you know
Yo tonight I'm 'bout to mash
Make them other chicks so mad
I'm 'bout to shake my ass
Snatch that booty so fast It's all about me and you
Doin' how we do
Tear the floor up up (up)
Tell 'em to make room (room)
They wanna know
Tell 'em I'm alone
They wanna look
We can give 'em a
Encore
Make it a Freakshow
Freak Freakshow
We can give 'em a
Fre-Freak Show (Freak) Fre-Freak Show (Freakshow)
Don't stop and let it flow
Let your innerbitions go
It's a crazy night let's make 'em make aFreakshow
Make it a Freakshow (Freak)
Freakshow Freakshow
Make it a Freakshow (Freak)
Freakshow Freakshow
Make 'em clap when we perform
Wanna be crazy we can show 'em
Dancing table top freaky freaky
So outside the norm
On some superstar ish (ish)
Pushin' hot Bugatti whips
Rockin' new designer fits
We can do it if you with it
It's all about me and you Doin' how we do
Tear the floor up up (up)
Tell 'em to make room (room)
They wanna know
Tell 'em I'm alone
They wanna look
We can give them aEncore

Make it a Freakshow Freak
Freakshow
We can give 'em a Fre-Freak Show (Freak)
Fre-Freak Show (Freakshow)
Don't stop and let it flow
Let your innerbitions go It's a crazy night let's make 'em make a
