

# Call Me

## Shinedown

Wrap me in a bolt of lightning  
Send me on my way still smiling  
Maybe that's the way I should go  
Straight into the mouth of the unknown  
I left a spare key on the table  
I never really thought I'd be able  
To say I merely visit on the weekends  
I lost my whole life and a dear friend I've said it so many times  
I would change my ways  
No, nevermind  
God knows I've tried  
Call me a sinner, call me a saint  
Tell me it's over, I'll still love you the same  
Call me your favorite, call me the worst  
Tell me it's over, I don't want you to hurt  
It's all that I can say, so I'll be on my way I finally put it all together  
But nothing really lasts forever  
I had to make a choice that was not mine  
I had to say goodbye for the last time  
I kept my whole life in a suitcase  
Never really stayed in one place  
Maybe that's the way it should be  
You know I live my life like a gypsy I've said it so many times  
I would change my ways  
No, nevermind  
God knows I tried  
Call me a sinner, call me a saint  
Tell me it's over, I'll still love you the same  
Call me your favorite, call me the worst  
Tell me it's over, I don't want you to hurt  
It's all that I can say, so I'll be on my way I'll always keep you inside  
You healed my heart and my life And you know I tried  
Call me a sinner, call me a saint  
Tell me it's over, I'll still love you the same  
Call me your favorite, call me the worst  
Tell me it's over, I don't want you to hurt  
It's all that I can say, so I'll be on my way  
So I'll be on my way  
So I'll be on my way
