

# Droplets (feat. Jason Reeves)

## Colbie Caillat

Jason Reeves  
Colbie Caillat ()(I'm leaving you)  
(I'm not sure if that's what I should do)  
(It hurts so bad)  
(I'm wanting you but cant go back)  
(Trying to find, to find)  
(That all elusive piece of mind)  
(Stuck here somehow)  
(Shrouded beneath my fear and doubt)  
(And I don't need it)  
(Cuz I'm walkin down this road alone and figured all I'm thinking bout is you, is you my love)  
(And my head is in a cloud of rain and the world it seems so far away and i'm just waiting for)  
(The droplets, droplets)You left a mark  
I wear it proudly on my chest  
Above my heart  
To remind me that I feel the best  
When I'm with you  
And everything is effortless  
You know its true  
My eyes are painted with regret and I don't need itCuz I'm walkin down this road alone  
and figured all I'm thinking 'bout is you, is you, my love  
My head is in a cloud of rain and the world it seems so far away  
And I'm just waiting to fall and sink into your skin  
You are like the raindrops, the raindrops falling down on me  
You left a mark (you left a mark)  
She left a mark (he left)  
She left (he left)  
She left a mark  
And I don't (I don't)  
Need it. (Need it)
