

Peaches

In The Valley Below

I've been working on my knees baby it's alright
Everybody got disease maybe it's alright
You can steal from me baby that's just fine
You can say its free baby that's alright Working on a feeling, breaking down the ceiling, digging
up a deep end
Freezing on the beaches, reaching for the sweetest, sweetest peaches
We won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in town
You've been drinking all week baby that's alright
You've been stepping on me baby it's alright
You've been tearing me apart in the dead of night I'll be raising my hands when the lighting
strikes
Working on a feeling, breaking down the ceiling, digging up a deep end
Freezing on the beaches, reaching for the sweetest, sweetest peaches
We won't live too long So let's love for one song
The lion won't lay down
When the holy man's in town
Working on a feeling, breaking down the ceiling, digging up a deep end
Freezing on the beaches, reaching for the sweetest, sweetest peaches
We won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in town
Working on a feeling, breaking down the ceiling, digging up a deep end
Freezing on the beaches, reaching for the sweetest, sweetest peaches
