

Moonglow

[Diana Krall](#)

It must have been moonglow
Way up in the blue
It must have been moonglow
That led me straight to you I still hear you sayin'
"Dear one, hold me fast"
And I start to prayin'
"Oh please let this last" We seem to float right in the air
Heavenly songs seem to come from everywhere
And now when there's moonglow
Way up in the blue
I always remember
That moonglow gave me you
We seem to float right in the air
Heavenly songs seem to come from everywhere
And now when there's moonglow
Way up in the blue
I always remember
That moonglow gave me you
That moonglow gave me you
That moonglow gave me you
