

# Hajanga

Jacob Collier

Everybody, near and far  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Come together as you are  
(Sing the hajanga, sing the hajanga)  
To the ocean, to the sky  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Sing that cosmic lullaby  
(Sing the hajanga, sing the hajanga)  
Sing the hajanga Sing your pleasure sing your pain  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Like you'll never sing again  
(Sing the hajanga, sing the hajanga)  
Let it echo, loud and clear  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Across the ancient stratosphere  
(Sing the hajanga, sing the hajanga)  
Even when the sun refuse to shine  
there's a song of love that never dies  
Even when the good days pass you by  
lift your voices to the sky singin...  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-laAs the words go round and round  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Let the tears roll down and down  
(Sing the hajanga, sing the hajanga)  
Sing the way you wish to be  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Let that singing set you free  
(Sing the hajanga, sing the hajanga)  
Even when those dark clouds bring you down  
There's a spark of joy that can be found  
Even when things break and fall apart  
Lift your hands up from the heart, singin...  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-laEvery morning  
Every night  
Through the darkness  
To the light  
Like a beacon  
Shining bright  
Sing the hajanga you'll be alrightFrom the winter  
Comes the spring

It don't matter  
What life will bring  
Said you can do most  
Anything  
Give your hajanga  
A song to sing Tell your mama  
Tell your pa  
Sing it near and  
Sing it far  
Be exactly  
The way you are  
See the hajanga  
It's your guiding star So every woman  
To every man  
In every nation  
In every land  
I said please you've gotta understand  
Now sing the hajanga  
And take my hand SING IT Then one day your life is through  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
Nothing more that you can do  
(Sing the hajanga, sing the hajanga)  
So give away the things you know  
(Ta-li-ni-dra-da, Ta-li-ni-dra-da)  
And tell your friends you love them so  
(Sing the hajanga, sing the hajanga)  
Tell them hajanga
