

Seven Days

Sting

"Seven days" was all she wrote
A kind of ultimatum note
She gave to me she gave to me
When I thought the field had cleared
It seems another suit appeared
To challenge me woe is me
Though I hate to make a choice
My options are decreasing mostly rapidly
Well we'll see
I don't think she'd bluff this time
I really have to make her mine
It's plain to see
It's him or me
Monday I could wait till Tuesday
If I make up my mind
Wednesday would be fine, Thursday's on my mind
Friday'd give me time, Saturday could wait
But Sunday'd be too lateThe fact he's over six feet ten
Might instill fear in other men
But not in me, the mighty flea
Ask if I am mouse or man
The mirror squeaked, away I ran
Does it bother me at all
My rival is Neanderthal it makes me think
Perhaps I need a drink
IQ is no problem here
We won't be playing Scrabble for her hand I fear
I need that beer
Monday I could wait till Tuesday
If I make up my mind
Wednesday would be fine, Thursday's on my mind
Friday'd give me time, Saturday could wait
But Sunday'd be too lateSeven days will quickly go
The fact remains, I love her so
Seven days, so many ways
But I can't run away
I can't run awayMonday I could wait till Tuesday
If I make up my mind
Wednesday would be fine, Thursday's on my mind
Friday'd give me time, Saturday could wait
But Sunday'd be too lateDo I have to tell a story
Of a thousand rainy days since we first met

It's a big enough umbrella
But it's always me that ends up getting wet
