

Walls of Jerusalem (Yabby You Meets King Tubby)

Yabby You & King Tubby

There is a city. far beyond the Caribbean
Where there is no, city walls
There is a feeling, all around that city
Outside the walls of Jerusalem Upon that hill, they crucified our God!
And they hung Him on a tree
Do you imagine, the agony he felt?
(I know, I know) It was for you and I
It was for I and I, oh, oh
I say don't play, don't play with fire
Fire will burn you
I say don't play, don't play with fire
Jah Jah is coming soon Upon that hill, they crucified our God!
And they hung Him on a tree
Do you imagine, the agony he felt?
(I know, I know) It was for you and I, yeh!
It was for I and I, oh, oh There is a city. far beyond the Caribbean
Where there is no, city walls
There is a feeling, all around that city
Outside the walls of Jerusalem
I say don't play, don't play with fire
Fire will burn you
I say don't play, don't play with fire
Jah Jah is coming soon, yeh!
I say don't play, don't play with fire
Fire will burn you, yeh
