

# Six Feet Under the Stars

## All Time Low

Time to lay claim to the evidence  
Fingerprints sold me out  
But our footprints washed away from the docks downtown  
It's been getting late for days  
And I think myself deserving of a little time off  
We can kick it here for hours  
And just mouth off about the world  
And how we know it's going straight to hell  
Pass me another bottle, honey  
The Jager's so sweet  
But if it keeps you around then I'm down  
Meet me on Thames Street  
I'll take you out though I'm hardly worth your time  
In the cold you look so fierce, but I'm warm enough  
Because the tension's like a fire  
We'll hit South Broadway in a matter of minutes  
And like a bad movie, I'll drop a line  
Fall in the grave I've been digging myself  
But there's room for two  
Six feet under the stars  
I should have known better than to call you out  
(On a night like this, a night like this)  
If not for you, I know I'd tear this place to the ground  
(But I'm alright like this, alright like this)  
I'm gonna roll the dice before you sober up and get gone  
(I'm always in over my head)  
Thames Street  
I'll take you out though I'm hardly worth your time  
In the cold you look so fierce, but I'm warm enough  
Because the tension's like a fire  
We'll hit South Broadway in a matter of minutes  
And like a bad movie, I'll drop a line  
Fall in the grave I've been digging myself  
But there's room for two  
Six feet under the stars  
Time to lay claim to the evidence  
Fingerprints sold me out  
But our footprints washed away  
I'm guilty, but I'm safe for one more day  
Overdressed and underage (what a let down)  
"Do you really need to see an ID? "  
This is embarrassing as hell (what a let down)  
But I can cover for it so well  
When we're six feet under the stars  
Thames Street  
I'll take you out though I'm hardly worth your time

In the cold you look so fierce, but I'm warm enough  
Because the tension's like a fire  
We'll hit South Broadway in a matter of minutes  
And like a bad movie, I'll drop a line  
Fall in the grave I've been digging myself  
But there's room for two  
Six feet under the stars  
Six feet under the stars  
Six feet under the stars
