

# Battle

## Colbie Caillat

You thought we'd be fine  
All these years gone by  
Now you're asking me to listen  
Well then tell me 'bout everything  
No lies, we're losing time 'Cause this is a battle  
And it's your final last call  
It was a trial, you made a mistake, we know  
But why aren't you sorry, why aren't you sorry, why?  
This can be better, you used to be happy, try! Ooh ooh  
Ooh ooh You've got them on your side  
They won't change their minds  
Now it's over and I'm feeling like  
We've missed out on everything  
I just hope it's worth the fight  
'Cause this is a battle  
And it's your final last call  
(Why'd you have to let it go?)  
It was a trial, you made a mistake, we know  
(Can't you see you hurt me so?)  
Why aren't you sorry, why aren't you sorry, why?  
Things can be better, you could be happy, try! Oh oh, oh oh, oh  
Oh oh, oh oh, oh  
Oh oh, oh oh, oh  
Oh oh, oh oh, oh 'Cause this is a battle  
And it's your final last call  
It was a trial, you made a mistake, we know  
(Can't you see you hurt me so?)  
But why aren't you sorry, why aren't you sorry, why?  
This can be better, we can be happy, try!  
Oh oh, oh oh, oh  
'Cause this is a battle  
This is a battle  
Oh oh, oh oh, oh  
And it's your final last call  
Oh oh, oh oh, oh  
'Cause this is a battle  
This is a battle  
Oh oh, oh oh, oh  
And it's your final last call  
This is a battle and it's your final last call
