

New Thang

French Montana & Remy Ma

[Intro]

La Música de Harry Fraud [Chorus: French Montana]
I might pull up a one, maybe two thangs (new things)
Got my old-school joint in my new thang (old-school gang)
Got my Carolina joint, that's my blue thang (got a new)
Got my Chinese joint, that's my Wu-Tang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Got my Chinese joint, that's my Wu-Tang (skuh)

[Verse 1: French Montana]

Trade the four-door for the coupe thing
She want the high heels, no shoestrings
Chicago floor seats, watchin' Luol Deng
Crib 36 Chambers, Wu-Tang
She ain't a groupie, but she do the group thing
Puff gave me mils off the blue flame
You niggas too jet, you too plain (what!)
Beard game, AK, like I'm Hussein
She [?] on the bridge like MC Shan
KRS-One smokin' on a ether [?]
Best thing out the Bronx since Big Pun
You know exactly where you get your shit from

[Chorus: French Montana]

I might pull up a one, maybe two thangs (new things)
Got my old-school joint in my new thang (old-school gang)
Got my Carolina joint, that's my blue thang (got a new)
Got my Chinese joint, that's my Wu-Tang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Every other day is a New Thang (hey hey hey)
Got my Chinese joint, that's my Wu-Tang [Verse 2: Remy Ma]
You see my shoe gang, I kicks nice Liu Kang
You got 'em after you Saddam, you Hussein
