

# Rise and Shine (feat. Sofia)

## The Cast of Sofia the First

I used to go to sleep at night  
So thankful for my simple life  
Up at all the stars I would be gazing  
An ordinary girl it seems  
But never in my wildest dreams  
Could I imagine something so amazing  
'Cause then in just an instant  
All of that changed  
And my whole life was rearranged  
It's time to rise and shine  
Wake up and make the day mine  
In this brand new world  
I'm at the starting line  
But I know deep down that it will all be fine  
'Cause I'm gonna rise  
And shine  
And suddenly out of the blue  
I woke up to a dream come true  
But if it's just a dream then please don't wake me  
To the castle, swept away  
Became a princess in a day  
And now I'm wondering where this road may take me  
It happened in an instant  
Everything changed  
Now my whole life is rearranged  
It's time to rise and shine  
Wake up and make the day mine  
In this brand new world  
I'm at the starting line  
But I know deep down that it will all be fine  
'Cause I'm gonna rise... So much to learn  
So much to be  
And I can't wait to find the key  
It's time to rise... (Rise and shine)  
It's a brand new world  
And I'm at the starting line  
But I know deep down that it will all be fine  
'Cause I'm gonna rise  
Right before their eyes  
I'm gonna rise...  
And shine... Rise and shine
