

Paralyzed

In Flames

Vultures descend
Feeding on us
There's no sympathy
Breeding the hate
Turn away
Run away
From all the things we have to do
And it tears away our hearts and our soul
It's like we're on our own
To figure out
Cast out
Paralyzed
Rewind
There's no time
The wasteland it's an indication
We're only taking turns
Passing around the world
It's how it's always been
Out of excuses
Will we understand?
That we are on our own
To figure out
Cast out
Paralyzed
This time
We have found the wasteland
Out of excuses
Will we understand?
It's like we're on our own
To figure out
Cast out
Paralyzed
This time we have
Found the wasteland
The wasteland
