

Stranger Than Fiction

Five Finger Death Punch

It's stranger than fiction
How you've decayed
It must be so lonely
Lost within your ways You're born alone; you die alone:
The rest is yours to fill the gap
The world goes on without you here
Adjust or just collapse Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
Or was that a cry for help
By yourself
Verbal grenades
You throw in vain
I can't believe you'd stoop so low
Of all the things you took away,
I miss my mind the most Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
Or was that a cry for help
By yourself Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
Or was that a cry for help?!
It's stranger than fiction
How you've decayed
It must be so lonely
Lost within your ways
