

# Broken (feat. Au/Ra)

## OTR

[Verse 1]

I used to be afraid to break the fall

So I stall

But now I'm trying breaking?down?my walls

Let them?fall[Pre-Chorus]

Nobody said it'd be simple

And I'm?a whole lot of work

Dyin' to jump on the impulse

But running before I get hurt

I used to be afraid of hopin' for

Any more

[Chorus]

My arms are open

But then I get close and I'll push you out

Pull you back like an ocean

Wanna be all in

But I'm bad with emotion

Maybe cuz my heart

Was made to be broken

And I think I'd rather have loved til I lost

Than never have loved at all

My arms are open

But I'm bad with emotion

Maybe cuz my heart

Was made to be broken

Made to be broken

Made to be broken

Made to be broken

Made to be broken

Maybe cuz my heart

Was made to be broken

Maybe cuz my heart

Was made to be broken

[Verse 2]

And every time I'm 'bout to walk away

Now I stay

I'd turn to bones if I waited on the day

I'm ok[Pre-Chorus]

Nobody said it'd be easy

And I know that I'm a lot

Treatin' love like its graffitti

I'm runnin' before I get caught

The beauty bleeds but scars will never fade  
That's okay, cuz[Chorus]  
My arms are open  
But then I get close and I'll push you out  
Pull you back like an ocean  
Wanna be all in  
But I'm bad with emotion  
Maybe cuz my heart  
Was made to be broken  
And I think I'd rather have  
Loved 'til I lost  
Than never have loved at all  
My arms are open  
But I'm bad with emotion  
Maybe cuz my heart  
Was made to be broken  
Made to be broken  
Made to be broken  
Made to be broken  
Made to be broken  
Maybe cuz my heart  
Was made to be broken  
Maybe cuz my heart  
Was made to be broken
