

That's My Way (feat. Chris Duarte)

Supersonic Blues Machine

I always knew I'd be leaving for the city
And I've always known that I was meant to be around
I've never made it a secret
'Cause that's a secret everybody knows
It went on and on, and on, and on again... and again
Some of their words made me blue
But hey, they got me to move
Oh yeah I wanna move it and groove it any way I choose it
Move it and groove it: That's my way
I wanna move it and groove, never gonna lose it
Move it and groove it: That's my way
That's my way, oh, that's my way
I've never lied when I was talking to my God
I've never dreamt of getting shelter from the storm
I got rid of this cancer
And the poison, behind all and every song
It went on and on, and on, and on again... and again
Now turn the power back on and let the music flow
Let it flow I wanna move it and groove it any way I choose it
Move it and groove it: That's my way
I wanna move it and groove, never gonna lose it
Move it and groove it: That's my way
That's my way, oh, that's my way
Oh, my way, that's my way
Oh, my way, that's my way What goes around comes around
Just think of that when you play
Just keep your wild dreams at aim
It's rag to riches in the carpool lane
I wanna move it and groove it any way I choose it
Move it and groove it: That's my way
I wanna move it and groove, never gonna lose it
Move it and groove it: That's my way
I wanna move it and groove it any way I choose it
Move it and groove it: That's my way
I wanna move it and groove, never gonna lose it
Move it and groove it: That's my way
That's my way!
