

Breathe Your Name

Sixpence None the Richer

It's every day
I'm in this place
I feel this way
I feel the sameIt's every day
I'm in this place
I feel this way
I feel the sameIs it all inside my head
Is it all inside my headI view the list
And take my pick
I view my fate
And make a choice
'Cause it's nobody else's but mine
But You're in my heart
I can feel Your beat
And You move my mind
From behind the wheelWhen I lose control
I can only breathe Your name
I can only breathe Your nameSo many days
Within this race
I need the truth
I need some graceI need the path
To find my place
I need some truth
I need some grace
The part of You
That's part of me
Will never die, will never leave
And it's nobody else's but mineYou are in my heart
I can feel Your beat
And you move my mind
From behind the wheelWhen I lose control
I can only breathe Your name
I can only breathe Your nameYou'll view the list
And take Your pick
You'll view my fate
And make the choice
'Cause I'm nobody else's but yoursAnd You're in my heart
I can feel You're beat
And you move my mind
From behind the wheelWhen I lose control
I can only breathe Your name'Cause You're in my heart
I can feel Your beat

And you move my mind
From behind the wheel When I lose control
I can only breathe Your name
I can only breathe Your name I can only breathe Your name
I can only breathe Your name
