

Watch Them Fall Down

DJ Spoke

Shining soldiers standing tall
We try to keep them from the fall
They stand in a pattern, such a beauty to behold
Reaction in a passion, disaster, oh Watch them fall down
Watch them fall down We can stop this unraveling
Keep the blade from traveling
They stand in a pattern, such a beauty to behold
Reaction in a passion, disaster, oh Watch them fall down
Watch them fall down Watch them fall down
Watch them fall down
