Aftertaste (feat. Morgan St. Jean)

[Loud Luxury](#)

You don't know what you did to me, what you did to me
Sitting all alone I forgot, I forgot the way, that you'd say my nameWhy'd you keep me close enough to love you?
When your heart stayed closed, not what you wanted?
Why'd you keep me close
Just to let me go?Even though I kno-o-ow
That you're really go-o-one
Crazy that I won't give up on you
Should be moving o-o-on
But you're the one I wa-a-ant
Crazy that I won't give up on you
So I hold onto your
Aftertaste, a-aftertaste, a-aftertaste, oh
So I hold onto your
Aftertaste, a-aftertaste, a-aftertaste, oh
So I hold onto yourKno-o-ow
That you're really go-o-one
Crazy that I won't give up on you
Should be moving o-o-on
But you're the one I wa-a-ant
Crazy that I won't give up on youLying in bed I can feel the space, pillows can't replace
Plans that we made let them go, let them go to waste, you're still haunting meWhy'd you keep me close, enough to love you?
When your heart stayed closed, not what you wanted?
Why'd you keep me close
Just to let me go?
Even though I kno-o-ow
That you're really go-o-one
Crazy that I won't give up on you
Should be moving o-o-on
But you're the one I wa-a-ant
Crazy that I won't give up on youSo I hold onto your
Aftertaste, a-aftertaste, a-aftertaste, oh
So I hold onto your
Aftertaste, a-aftertaste, a-aftertaste, ohAftertaste, a-aftertaste, a-aftertaste, oh
So I hold onto your
Aftertaste, a-aftertaste, a-aftertaste, oh
So I hold onto yourKno-o-ow
That you're really go-o-one
Crazy that I won't give up on you
(So I hold onto your)
Should be moving o-o-on

But you're the one I wa-a-ant
Crazy that I won't give up on youSo I hold onto yourEven though I kno-o-ow
That you're really go-o-one
Crazy that I won't give up on you
(So I hold onto your)
Should be moving o-o-on
But you're the one I wa-a-ant
Crazy that I won't give up on youSo I hold onto your
