

# Party Ain't Over (feat. Usher & Afrojack)

## Pitbull

[Intro]

From the mae, to the atl, to the world, Party ain't over till the fat lady sings  
Or should I see, party ain't over till you so fucking drank

That that fat lady stand, dale kariga [Pitbull]

Catch me like in a fool and a donkey

All in one, yeah they hot, yeah they fire

But even the devil knows I'm hotter

Ay, dios

See me, 3d, yeah, yeah, with no glasses

Tell the pope to come see me

I got answers, by the masses

I ain't greedy, sharing is caring

Especially when it's for Sharon and Karen

Especially when it's for Sharon and Karen

[Usher]

The party ain't over, the party ain't over

The party ain't ooovveerrr

It's 3 am and it's too many women

She's just beginning the time of her life

So tell the dj, dj, dj, dj, dj

Turn the motherfucker up, up, up, up, up

Yeah, mister bartender, tender, tender, tender

Pour me another cup, cup, cup, cup,

Get fucked up! [Pitbull]

Joggin women but I'm far from a clown yeah

And doubles and triples I'm knocking em down yeah

So watch who you bringing around

Cause next thing you know, I'm turning around

To ashy, to classy, but fuck it, I'm still nasty

I'm like moses, I split the red sea

Baby if you ask me

I ain't greedy, sharing is caring

Especially when it's for Sharon and Karen

Especially when it's for Sharon and Karen [Usher]

The party ain't over, the party ain't over

The party ain't ooovveerrr

It's 3 am and it's too many women

She's just beginning the time of her life

So tell the dj, dj, dj, dj, dj

Turn the motherfucker up, up, up, up, up

Yeah, mister bartender, tender, tender, tender

Pour me another cup, cup, cup, cup,

Get fucked up! Show off and shoot it down  
Bartender send another round  
We ain't leaving till the party's over [Usher]  
The party ain't over, the party ain't over  
The party ain't oovveerr  
It's 3 am and it's too many women  
She's just beginning the time of her life  
So tell the dj, dj, dj, dj, dj  
Turn the motherfucker up, up, up, up, up  
Yeah, mister bartender, tender, tender, tender  
Pour me another cup, cup, cup, cup,  
Get fucked up!
