Does anybody want to take me on  
Does anybody want to hear the thing I have to say  
I fear today  
Does anybody want to see me cry  
If I'm the only one I'd rather dieThoughtless baby  
Thoughtless baby  
Thoughtless babyDoes anybody want to open up and see what's vile  
Does anybody want to walk along the sea  
Sometimes its like its said  
Sometimes its throw away  
Thoughtless baby  
Thoughtless baby  
Thoughtless babyDoes anybody want to take me on  
Does anybody want to see me die  
When he cry's throws awayThoughtless baby  
Thoughtless babyDoes anybody want to see me cry  
If I'm the only one I'd rather dieThoughtless baby  
I'd rather die  
Does anybody want to take me on  
Does anybody want to take me on  
Does anybody want to take me on  
Does anybody want to take me on
