

# There's a Small Hotel

Hilary Kole

I'd like to get away, Junior  
Somewhere alone with you  
It could be oh, so gay, Junior  
You need a laugh  
Or two  
A certain place I know, Frankie  
Where funny people can have fun  
That's where the two will go,  
Darling  
Before you can count up  
One, two, three.  
For there's a small hotel  
With a wishing well  
I wish that we were there together  
There's a bridal suite  
One room bright and neat  
Complete for us to  
Share together  
Looking through the window  
You can see a distant steeple  
Not a sign of people who  
Wants people?  
When the steeple bell says,  
"Good night, sleep well,"  
We'll thank the small hotel  
Together  
We'll creep into our little shell  
And we will thank the small hotel together
