

Devil's Answer

Atomic Rooster

People are looking but they don't know what to do It's the time of the season for the people like
you Come back tomorrow, show the scars on your face It's a clue to the answer we all chase
Three, five and seven lift the heaviest load reach the top of the heaven that's fallen below Devil
may care but you wish for the best Can't you see there's an answer that lies there Come all you
sinners and keep with the time can we see all the faces that have fallen behind Don't make the
reason it's a secret for you There's a clue to the answer we all know There's no clue to the
answer we all know People are looking but they don't know what to do It's the time of the
season for the people like you Come back tomorrow, show the scars on your face It's a clue to
the answer we all chase It's a clue to the answer we all
chase -----
