

Another Day

James Taylor

Oh, wake up Susie
Put your shoes on
Walk with me into this light
Finally this morning
I'm feeling whole again
It's been a hell of a night Just to be with you by my side
Just to have you near in my sight
Just to walk a while in this light
Just to know that life goes on
Wake up Susie
Put your shoes on
And walk with me into this light Another night has gone
Life goes on
Another dawn is breaking
Turn and face the sun
One by one
The world outside is waking Morning light has driven away
All the shadows that hide your way
And night has given away
To the promise of another day Another day
Another chance that we may
Finally find our way
Another day
Ol' sundown's begun to melt
all our fears away
Another day
Another day Oh, wake up Susie
Put your shoes on
And walk with me into this light
