

Simmer

Hayley Williams

Rage is a quiet thing
You think that you've tamed it
But it's just lying in wait Oh, rage
Is it in our veins?
Feel it in my face when, when I least expect it Give in
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down If I had seen my reflection
As something more precious
He would've never
Mmm, and if my child needed protection
From a fucker like that man I'd sooner gut him
'Cause nothing cuts like a mother Give in
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down Wrap yourself in petals
Wrap yourself in petals
Wrap yourself in petals for armor
Petals for armor Give in
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?

Gotta simmer, simmer, simmer, simmer, simmer down
Control
There's so many ways to give in
Eyes closed
Another way to make it to ten
Oh, how to draw the line between wrath and mercy?
Gotta simmer, simmer, simmer
