Burn

[Ellie Goulding](#)

We, we don't have to worry about nothing
'Cause we got the fire, and we're burning one hell of a something
They, they gonna see us from outer space, outer space
Light it up, like we're the stars of the human race, human raceWhen the lights started out, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire
Yeah, we got the fire, fire, fireAnd we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
We don't want to leave, no
We just wanna be right now
Right, ri-ri-right now
And what we see is everybody's on the floor
Acting crazy, getting loco till the lights outMusic's on, I'm waking up
We start the fire, then we burn it up
And it's over now, we got the love
There's no sleeping now, no sleeping now (sleeping now)When the lights started out, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire
Yeah, we got the fire, fire, fireAnd we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
When the lights started out, they don't know what they heard
Strike the match, play it loud, giving love to the worldWe gonna let it burn
Burn, burn, burn, burn, burn
Burn, burn, burn, burn, burn, burnWe can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, outWhen the lights started out, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire

Yeah, we got the fire, fire, fireAnd we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burnWhen the lights started out, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire
Yeah, we got the fire, fire, fireAnd we gonna let it burn
