

# Angel

## The Weeknd

Angel, oh oh oh oh  
Knew you were special from the moment I saw you, I saw you, yeah  
I said angel, oh oh oh oh  
I feel you're closer every time I call you, I call you 'Cause all I see are wings, I can see your wings  
But I know what I am and the life I live, yeah, the life I live  
And even though I sin, maybe we are born to live  
But I know time will tell if we're meant for this, yeah, if we're meant for this And if we're not I  
hope you find somebody  
I hope you find somebody  
I hope you find somebody  
I hope you find somebody to love  
Somebody to love  
Somebody to love, yeah yeah yeah  
Said angel, woah oh oh oh  
You'll probably never take me back and I know this  
Yeah I know this, aw man  
I said angel, woah oh oh oh  
I'm so desensitized to feeling these emotions  
Yeah, no emotions baby 'Cause all I see are wings, I can see your wings  
But I know what I am and the life I live, yeah, the life I live  
And even though I sin, we all want to live  
But I know time will tell if we're meant for this, yeah if we're meant for this And if we're not I  
hope you find somebody  
I hope you find somebody  
I hope you find somebody  
I hope you find somebody to love  
Somebody to love  
Somebody to love, yeah yeah yeah  
And even though we live inside a dangerously empty life  
You always seem to bring the light  
You always seem to bring the light  
And even though we live inside a dangerously empty life  
You always seem to bring me light  
You always seem to bring me light I hope you find somebody  
I hope you find somebody  
I hope you find somebody  
I hope you find somebody to love  
Somebody to love  
Somebody to love, yeah yeah, oh I hope you find somebody, I hope you find someone baby  
I hope you find somebody, whoa  
I hope you find somebody, I hope you find somebody

I hope you find somebody to love  
Somebody to love, somebody to love  
Somebody to love yeah, yeah, yeah I hope you find somebody, I hope you find  
I hope you find somebody, I hope you find  
I hope you find somebody, I hope you find somebody baby  
I hope you find somebody  
Somebody to love  
Somebody to love  
Somebody to love yeah, yeah, yeah Ooh, somebody baby  
I hope you find somebody  
Baby, love somebody  
I hope you find somebody, I hope you find somebody  
I hope you find somebody, I hope you find somebody baby  
I hope you find somebody to love  
Somebody to love, somebody to love  
Somebody to love, somebody to love  
Yeah, yeah, yeah
