

Let's Get It On

Luke Wade

I've been really tryin, baby
Tryin to hold back these feelings for so long
And if you feel, like I'm feelin' baby
Come on, oh come on, Let's get it on sugar
Lets get it on
Lets say, I love you There's nothin wrong with me
Lovin you no no no
And givin yourself to me can never be wrong
when the love is true Don't you know how sweet and wonderful, life can be
so let me love you baby
and I'm just askin you baby, to get it on with me
yeah yeah
we have to get it on
so we've got to get it on
dont have to worry that is worng
if the spirit moves you, let me groove you
let you love come and out
we believe in love
we've got to get it on
beging you
we've got to get it on
say we've got
say we've got
we've got to get it on
