

I Hate You But I Love You

Russian Red

You were so high above in the sky
I just keep feeling like a little child I hate you but I love you
I just can't take how beautiful you are
I hate to say this but my eyes go blind. I hate you but I love you
my favourite sun becomes a healing sign
I hate to say this 'cause my heart goes wild .Oh you were so high above in the sky
everytime I travel far I think about
by my side, to any of those places I cannot go back. I hate you but I love you
I just can't take how beautiful you are
I hate to say this but my eyes go blind.
I hate you but I love you
my favourite sun becomes a healing sign
I hate to say this 'cause my heart goes wild
