

# SuperGirl

## Saving Jane

I'm the life of the party  
so contagious  
all the boys wanna catch me  
but i'm just playin  
one  
one, two  
come and see what i can do  
two  
two, three  
everybody's after me  
three  
three, four  
let me tell you what's in store  
let's go  
everybody on the floor  
I'm supergirl  
i'm everywhere  
i'm flashing lights  
they stop and stare  
i'm fabulous  
i'm on a roll  
I'm in your head  
and everybody knows  
i'm i'm  
i'm supergirl  
supergirl supergirl supergirl  
i'm the perfect disaster  
you can't stop me  
coming faster and faster  
but you just watch me  
(you just watch me)  
five  
five, six  
don't you want a little fix  
six  
countdown  
get a little crazy now  
nine  
nine, ten  
see me work the room and then,  
hold on  
ready here we go again

i'm supergirl  
i'm everywhere  
i'm flashing lights  
they stop and stare  
i'm fabulous  
i'm on a roll  
i'm in your head  
and everybody knows  
i'm i'm  
i'm supergirl  
i'm walking every wire  
set the world on fire  
no one shining brighter  
oh oh oh  
i'm supergirl  
supergirl  
i'm fabulous  
i'm on a roll  
i'm in your head  
and everybody knows  
i'm supergirl  
i'm everywhere  
those flashing lights  
they stop and stare  
i'm fabulous  
i'm in your head  
and everybody knows  
i'm i'm i'm i'm  
i'm supergirl  
i'm i'm  
i'm supergirl  
i'm i'm  
i'm supergirl
