

Skechers (Remix) (feat. Tyga)

DripReport

I tried to stop but I can't stop
I just can't stop thinking about her
I don't know
All I remember was, she wear the Skechers
The light-up ones Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world
Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world
Shawty main hun banda kharaab ye
Faltu mein banta nawaab ye
Karta bas bars mein baatein
Lekin nai peeta sharaab ye
Jacket valentino jooto mere Gucci
Aap jaisi bandiyon mein meri ruchi
Sab kiya try tere jaisi nai try ki
Pehne tune skechers lekin tu hai nike
Sab kuch check hai (swoosh) yeah
Sab kuch sahi hai
Kya wo tera banda hai
kyonki lagta to nai hai no
Duniya waise hi padi mere peeche
Tum bhi presswalon se gaali khilwaogi
Aise hilna band karo
fir mujhse koi ganda gaana likhwaogi
Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world
Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world I like your Skechers, you like me my Gucci shoes
I'll buy you the purse, only if you show me your moves
I like your Skechers, you like me too
Bring your friends, all of us in the pool
Bad lil' chic, all my drip make her drool
Brand new whip, come and sit in the coupe
Hmm, I just wanna make you mine

Hop inside the ride
Nina by my side, promise you it all be fine
I just wanna make you mine
Hop inside the ride
Nina by my side, promise it's gon' be all right
Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world
Shawty bad with the Skechers on
Wanna hold your hand, make you my girl
Light up, light up Skechers
Light up, light up my world
