

Throw It All Away

112

How Could You
Just Hurt Me And Leave Me
Leave Me All Alone
How Could You Destory My Life
How Could You Throw It All Away
What Made You
Desert Me, Deceive Me
Why Did You Just Let Me Down
How Could You Throw It All Away
How Could You Throw
How Could You Throw It All Away
Throw It All Away
When I Gave You My All Baby
How Could You Throw It All Away
Girl I Gave You My All
How Could You Throw
How Could You Throw It All Away
Throw It All Away
You Destroyed My Life, Baby
How Could You Throw It All Away
How Could You
Just Lead Me Into Thinking
Thinking You Would Be There
How Could You Destroy My Heart
How Could You Throw It All Away
I Loved You, Believed You
And I Trusted You
Put All My Trust In You
How Could You Just Let Me Down
How Could You Throw It All Away
How Could You ThrowHow Could You Throw It All Away
Throw It All Away
How Could You Just Take It All, Baby
How Could You Throw It All Away
How Could You Throw
How Could You Throw It All Away
Throw It All
Throw It All Away
When I Gave You My Love
How Could You Throw It All AwayI Love You Girl
You Loved Me So
Where Did We Go

Wrong
I Know That I
Gave My All
To You
But Somehow
That Wasn't Good Enough
How Could You Throw It Away How Could You Throw It All Away
Throw It Away
How Could You Destroy My Life, Baby
How Could You Throw It All Away
How Could You Throw
How Could You Throw It All Away
How Could You Throw It All Away
Throw It All Away When I Gave You My All, Baby
How Could You Throw It All Away
Oh How Could You Throw
How Could You Throw It All Away
Throw It All Away
How Could You Destroy My Life
How Could You Throw It All Away Oh
Girl I Will
Always
Love You
Girl Forever
And Ever
Oh, How Could You Throw It All
Ooh Oh Oh Mmm Woo
