

Beggin & Pleadin

Brandy

Damn boy, why you make it so hard?
Stop puttin' your foot on my heart
I know I did my wrong, I know I did my dirt
Didn't know how bad I would hurt Told you, "Walk out that door, and you can keep your last name"

Now I'm down on my knees, it's a shame I'm beggin' and pleadin'
Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
I'm beggin' and pleadin'
Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
Told you, "Walk out that door, and you can keep your last name"
Now I'm down on my knees, it's a shame
Good God almighty

Damn boy, why you make it so hard?
Stop puttin' your foot on my heart
Know I cussed and I screamed, even took your keys
Got so bad, yeah I stopped wearin' my ring Told you, "Walk out that door, and you can keep your last name"

Now I'm down on my knees, it's a shame I'm beggin' and pleadin'
Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
I'm beggin' and pleadin'
Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
Told you, "Walk out that door, and you can keep your last name"
Now I'm down on my knees, it's a shame
Good God almighty
Wave me back

All them bitches won't love you like I do, wave me back
I got a couple niggas that I can call

Wave me back, wave me back
Yeah I'm hopin' and wishin', every night and day
Wave me back, wave me back I'm beggin' and pleadin'
Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
I'm beggin' and pleadin'

Beggin' and pleadin', hopin' and wishin' for a change
Forgive me
Beggin' and pleadin', hopin' and wishin' for a change
Told you, "Walk out that door, and you can keep your last name"
Now I'm down on my knees, it's a shame
Good God almighty
