

# Boomerang

## Walk Off the Earth

You've been outta touch and we're on and off  
Feeling like a ragdoll  
Our love is missing soul and I gotta know  
Baby this is last call I know I know I know a you bring me down  
'Cause we go we go we go we go we go round You're a little bit yesterday  
But I'm kickin' it here today  
You're dope at the game you play  
But I'm not your boomerang  
You're a little bit fire show  
I'm a little bit H2O  
It's time that I let you go  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang If we were building Rome  
And you carried stone  
We'd be done tomorrow  
You gotta give it up  
Just to get it back  
That's the way the heart goes I know I know I know a you bring me down  
'Cause we go we go we go we go we go round  
You're a little bit yesterday  
But I'm kickin' it here today  
You're dope at the game you play  
But I'm not your boomerang  
You're a little bit fire show  
I'm a little bit H2O  
It's time that I let you go  
I'm not your boomerang Oh ohh ohhh  
Hey hey  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang How long how long  
Can we go round in a circle  
How long how long  
Don't wanna let you go  
How long how long  
Can we go round in a circle

How long how long You're a little bit yesterday  
But I'm kickin' it here today  
You're dope at the game you play  
But I'm not your boomerang  
You're a little bit fire show  
I'm a little bit H2O  
It's time that I let you go  
I'm not your boomerang Oh ohh ohhh  
Hey hey  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang  
Oh ohh ohhh  
Hey hey  
I'm not your boomerang
